“Empowering you to shape your future and career.”

Embark on a transformative journey with our comprehensive two-year program designed to elevate your dance practice and prepare you for a successful career in the industry.

INTREPID DANCE COMPANY (Intrepid) was founded on a deep-rooted passion for the arts, fuelled by an unwavering commitment to dancers. As a unique company in Canada, Intrepid aims to provide a platform for aspiring dancers to refine their skills, acquire necessary education, and showcase their talents through performance opportunities.

Year 1: Dance Training and Technique

In Year 1, dancers will immerse themselves in an intensive training program focused on honing their dance skills and mastering techniques. This year is dedicated to building a strong foundation in various dance styles, including ballet, contemporary, hip-hop, jazz, and more. Participants will benefit from personalized coaching, one-on-one sessions, and a diverse range of classes to elevate their dance practice to new heights.

Year 2: Industry Seminars, Auditions, and More

Year 2, while still maintaining dance training it also shifts the focus to industry readiness and career development. Dancers will engage in specialized seminars, workshops, and sessions tailored to prepare them for auditions, industry standards, and the business side of dance. This year's curriculum includes industry-focused topics, projects, and more to equip participants with the skills and knowledge needed to thrive in the commercial dance industry.

By offering a balanced combination of intensive dance training in Year 1 and specialized industry seminars in Year 2, the Intrepid Training Program ensures that participants receive a holistic and well-rounded education that prepares them for a successful career in dance.

- The Intrepid Training Program caters to dancers who seek to elevate their dance practice, push their limits, and acquire the fundamental skills required for a prosperous career in dance.
- Throughout the two-year program, participants can expect an immersive experience that includes over 30 hours of weekly training, one-on-one coaching sessions, exclusive masterclasses led by industry professionals, and a diverse range of classes to expand their dance repertoire.
